

Eonyoga Teacher Training School Programme 2021

Programme Description

The Eonyoga Teacher Training School programme meets the standards described by Yoga Alliance to become a Registered Yoga Teacher (RYT) at the 200-hour level. Yoga Alliance requires classroom (contact hours) and non-contact hours. A certificate of completion is awarded upon satisfactory completion of all contact and non-contact hours. Contact hours are earned through regular attendance and non-contact hours are substantiated by completion of all required written assignments.

Admissions and Entrance Requirements

To be considered for the programme applicants should have a regular yoga practice and have preferably practiced yoga for two years. Applicants should be able to physically perform the techniques they will teach. This does not mean an applicant must perform all techniques (yoga postures) covered in the training, but most certainly those they will teach. The applicant must complete, sign, and submit the application form along with the course outline document.

Program Curriculum

The Eonyoga Teacher Training Programme includes five program disciplines:

- **Techniques Training and Practice:** Consists of learning how to teach and practice traditional yoga techniques including asana, pranayama, mantra, meditation, bandha, and mudra.
- **Teaching Methodology:** Consists of the principles of demonstration, observation, assisting, correcting, instruction, teaching styles, qualities of a teacher, the student's process of learning, and business aspects of teaching yoga.
- **Anatomy and Physiology:** Consists of human physical anatomy and physiology (bodily systems, organs, etc.) and Yogic energy anatomy and physiology (chakras, nadis, etc.)
- **Yoga Philosophy/Lifestyle and Ethics for Yoga Teachers:** Consists of the study of yoga philosophies, yoga lifestyle, and ethics for yoga teachers. Students are encouraged to explore their connection to the teachings and examine the integration of yogic philosophy into their classes.

- Practicum: Consists of practice teaching, receiving feedback, observing others teaching and hearing/giving feedback.

A practical exam will cover teaching techniques and be graded pass/fail.

Certification

To receive a certificate of completion from Eonyoga Teacher Training School, students must pass all exams (written and practical), complete all assignments, and meet 100% attendance requirements. Any potential hours missed on the course will have to be discussed with the lead teacher in advance to make alternative arrangements. An additional hourly fee will be charged to make up for any hours missed during the three months.
